C Am
I haven't always made the best decisions;
C Em
In many ways I've wasted half my days.
F Em
I missed so much of life along the journey
F G
Seeing most of my world through a haze.

C Am
It seemed to me that life could be uncertain;
C Em
For many friends tomorrow never came.
F Em
How often I with words of desperation,
F G
Cried to heaven time and time again:

Chorus:

C Fmaj7
Is there anybody out there who can hear my voice?
C Fmaj7
Someone close at hand to ease the pain?
C Fmaj7
Someone who can understand the things that break my heart?
G F
Is there anyone who cares when things go wrong?
G F C
Someone who might like to hear my song? Maybe sing along?

C Am
I've never really learned to be unselfish.
C Em
Trials and troubles often make us cruel.
F Em
My attempts to wipe away the sadness
F G
Only taught me how to play the fool.

C Am
Now I've had time to think of life more broadly.
C Em
I realize that others share the way.
F Em
I understand the good I could be doing.
F G
For there are many others who can say:

Chorus:

C Fmaj7
Is there anybody out there who can hear my voice?
C Fmaj7
Someone close at hand to ease the pain?
C Fmaj7
Someone who can understand the things that break my heart?
G F
Is there anyone who cares when things go wrong?
G F C
Someone who might like to hear my song? Maybe sing along?

C Am
When I take the time to view the world around me;
C Em
Look about and listen carefully;
F Em
When I stare into the eyes of all Your children,
F G
I hear Your cry come sweeping down to me:

Chorus:

C Fmaj7
Is there anybody out there who can hear My voice?
C Fmaj7
Someone close at hand to ease the pain?
C Fmaj7
Someone who can understand the things that break My heart?
G F
Is there anyone who cares when things go wrong?
G F C
Someone who might like to hear My song? Maybe sing along?
C Fmaj7
Is there anybody out there I can work through?
C Fmaj7
It matters not how bad you think you are.
C Fmaj7
Is there anybody there who even dares to understand,
G F
I just want to help humanity;
G F C
Let Me help you make the world to see — I'll set you free.
G F C
Let Me help you make the world to see — I'll set you free.
G F C
Let Me help you make the world to see — I'll set you free.
